THE CLUB NEEDS YOUR HELP

MLTC is run by volunteers and more help is needed. Last season was very successful with many people volunteering to help during the Mildura Grand Tennis International and the Fed Cup as well as during our annual Easter and Seniors Events. Those who volunteered their time are to be commended and the club thanks you. For the 2009/2010 season, the Club would like to invite members to volunteer for positions such as results co-ordinator, Membership secretary and Publicity Officer. The Club will also be looking to form a Junior Sub Committee which will help to run the junior sectional tennis each Saturday morning and the various annual inter club challenges that the junior players participate in. We are looking for a Boys Captain, a Girls Captain and somebody to be the Junior Treasurer. Please assist the club with a little of your time and you will become eligible for a reduction of your fees next year.

CLUB CARETAKERS

The Club is pleased to have Tim Snow and Anne Watts renting the upstairs flat and acting as club caretakers. Tim and Anne will be policing the payment of court hire fees as well as the general security and usage of the club.

WE ARE TRAINING TO BE AN INCLUSIVE CLUB

Mallee Sports Assembly advocates and encourages participation in community life by all people. They believe that every person has the right to live and interact in a community that is inclusive of all people. Creating this inclusive community means enabling all members of the community, regardless of age, ability, income, education, sexual preference, race or religion to be active and valued participants.

Mallee Sports Assembly, with the support of the Mildura lawn tennis Club, would like to continue their "Tennis for All" programme into our summer season and provide tennis playing experience alongside our twilight competition for the current and future participants in this programme. They are looking for volunteers to help supervise the programme and are offering, anybody who is interested, the opportunity to attend an "**Inclusive Club Coaching Workshop**." If you would like to be involved in this workshop and then perhaps with the programme on a Wednesday night down at the club please contact either;
